KPR Institute of Engineering and Technology

VISION

The vision of the club is to bring out the unique talents of the students and helping them to improve it.

MISSION

Radio club's mission is to be the active branding team for all the events from our college and provide MOC and Hosting for all club events.

SHORT TERM GOAL

To enhance the communication skills of the students and be the active club of Sangamam.

LONG TERM GOAL

The club will always look forward for the growth of students by helping them reach their endeavours and express their thoughts whole-heartedly. Radio club will always bridge the gap between Sangamam and students in a healthy manner.
