VISION

The purpose of the KPRIET COOKING CLUB is to provide hands on cooking experience while learning about kitchen safety and sanitation, recipe preparation, food presentation and nutrition.

MISSION

The KPRIET Food Club aims to celebrate different cultures through food. Weekly gatherings consist of eating various cuisines, playing games, and having fun discussions.

BENEFITS

You can learn something in the cooking side and you can know things about food and you can explore it .Develop your skills in leadership and team building .

PRIMARY ACTIVITY

We explore food , its nutrients and varieties We try new dishes in our club.

There will be a weekly activity based on food like recipes challenge , food challenges and more .
